This letter will confirm the receipt of your move out notice. As per your lease, we will begin showing the property immediately for a move in on the first day after your property is vacated.

Pre-leasing:

The property manager will contact you or leave you a message about pre-leasing the home and scheduling showings in the last 30 days of your lease. Please provide updated contact information as they will attempt to first contact you prior to any scheduled showings.

According to Paragraph 14 of your lease, if the landlord or landlord's agent have notified tenant of their intent to access the property to show it to prospects and are denied or able to access the property because of tenant's failure to make the property accessible, Landlord may charge a trip charge in the amount stated in your lease. If you would like to reconsider your notice please contact our office at 817-281-1300.

The enclosed cleaning instructions should be followed carefully to insure deposit itemization. As per your lease, **you must surrender** keys/mailbox keys/garage remotes to our office at **5664 Denton Hwy Fort Worth, TX 76148** no later than **12 NOON** on the last day of your lease or lease extension. **IN ANTICIPATION TO YOUR MOVE-OUT PLEASE
PLEASE COMPLY WITH THE INSTRUCTIONS BELOW**

We will refer to your inventory condition form that you filled out and returned for existing damages. Be sure that the property is returned in as good or better condition than when moving in. Any damage above normal wear and tear can be itemized from your security deposit.

If there is a yard, be sure it's been mowed, trimmed and watered prior to move-out. Make sure there are no pet feces in the yard. Lawn care must be maintained and utilities must be left on until the last day of the lease, even if you move out before the end of the lease date. If there are pets on the property, please have them restrained or kenneled to allow property showings. Please continue to change a/c filters bi monthly as stated in your lease. **Any items/trash left at the curb or in trash containers at time of move out inspection will be removed at your expense.**

We recommend using the professional cleaning service and carpet cleaning service FCPM uses to ensure the property is properly returned to the owner. All carpets were either new OR professionally cleaned prior to move in. You may however use any company you like, a copy of the invoice will be required to be turned in to FCPM. Written invoices will not be accepted. Not following these procedures will result in a cleaning deduction from your deposit.

Please contact your property manager to have the interior cleaning performed by our cleaner if you do not have time prior to your move out to coordinate with a vendor.
